Dear Mr. Bann:

This letter is to acknowledge receipt of your analysis of chemical wastes disposed of on-site. You may be contacted for further information at a later date, when US EPA Hazardous Waste Standards have been implemented. The federal standards will address storage, transportation, and final disposal of such wastes and may apply to your present methods of handling. Should you have any questions, please telephone 614-385-8501.

Sincerely yours,
